#### NOTES:

1. The Year Prep to Six fees include the book levy
2. Tuition and bus fees are reviewed annually.
3. Tuition fee discounts apply when more than one member of the family attends the school at the same time – the oldest child pays full fees, second child 10% reduction, third child 50% reduction.
4. A discount of \$180 per student will apply if fees are paid annually. Fees are to be paid within the first week of Term One.
5. Accounts are sent out two weeks before the commencement of each term, with the due date being the last school day in Week One of each term.
6. Bus fees for the whole year are charged in Term One. Year 12 students are expected to pay the fee for the whole year, regardless of whether they drive themselves later in the year, as the fees are costed per seat.
7. Arrangements to pay by instalments should be made through discussion with the Finance Manager or the Principal.
8. Please note that a full term's notice must be given when withdrawing a student. If this does not occur then the next term's fee will be payable. (See our Terms and Conditions of Enrolment)

#### PAYMENT ARRANGEMENTS:

Fees may be paid by direct debit, automatic debit to a credit card, direct bank deposit, cash, cheque, credit card or EFTPOS.

#### WORK PAY SCHEME:

Each family will be invoiced \$100 per annum in Term One. Parents who volunteer at the College can complete the Work Pay Credit form found on our website to be reimbursed for the hours worked at the end of each term. The number of hours required to offset the \$100 is 10. Eligible tasks where credited hours can be earned include Working Bees, School Productions, Junior School events and the Presentation Ball. Other activities may also be deemed relevant to the work pay scheme at the discretion of the Principal. All forms are to be signed off by the respective Head of School, or event organiser.
