School Fees Update for 2024

Dear Parents and Guardians,

I am writing to outline the tuition fee schedule for Newhaven College in 2024. Fees have been restructured next year to reflect the requirements of the different levels of schooling and in most year levels we are pleased that fees will only increase by 2.5%. The increase is less than half the Education CPI for Melbourne (5.5%), reflecting the College's commitment to keeping a Newhaven education affordable for as many in the community as possible. Our entry age of Prep is discounted to assist families who have school startup expenses. Please note fees will continue to be inclusive of all compulsory camps and excursions, ensemble music lessons as well as textbooks from Prep to Year 6.

2024 Tuition Fees	
Prep	\$4,490
Years 1-6	\$5,380
Years 7-8	\$8,650
Years 9-12	\$9,890

Bus Fees

Bus fees will increase by 3% in 2024. The bus fees will be:

- For those travelling less than 30 kilometres \$850 for the year
- For those travelling more than 30 kilometres \$1,190 for the year

Sibling Discount

For families joining the College in 2024 a family discount of 5% will apply for the second sibling. A discount of 25% will apply for the third and subsequent siblings.

Payment of Tuition Fees

Parents have the option of paying in their own preferred instalments with PaySmart, or paying upfront at the start of the year and receiving a discount of 2.5%.

Newhaven College continues to be one of the most affordable independent schools of its kind. We are proud of the quality of education, facilities and opportunities we provide whilst being as accessible to as many members of our community as possible.

If you have any questions regarding these changes, please contact our Finance Officer, Donna Stone, at Donna.Stone@newhavencol.vic.edu.au. We also encourage parents facing financial hardship to contact the school to discuss options.
