2. The College will not enter into a dispute regarding the awarding of the Scholarships.
3. Parents and students are informed that it is a condition of a Scholarship being awarded that the **amount** of the Scholarship remains confidential between the family and the College. If offered a Scholarship, parents will be required to sign a form to this effect.
4. Recipients of scholarships are expected to maintain satisfactory academic progress, to take an active part in the various co-curricular activities offered and, in particular, to make a significant contribution to the life of the College.
5. Scholarships are for the duration of a student's education at Secondary level.
